

WHAT HAPPENS INSIDE?

1 An election worker greets you and directs you to the right table.

2 You show your ID that proves both your identity and address.

3 You are handed a ballot that is folded.

4 Go behind a voting screen to vote in private. Mark one candidate with an X. You only vote once. Fold your ballot to keep it secret.

5 Hand it back to the election worker. They will show you the ballot box to drop it in.

That's it. You're done.
Congratulations on casting your ballot!

ELECTION DAY IS APRIL 4, 2016

The future starts here.
